Bolivia – San Andres Univ. Chile – Talca Univ.

Japan – Yamagata Univ. / Yonezawa Univ. of Nutrition Science / Tech Tsuruoka College

The “Double Triangle Program” started in October 2015 to increase exchange with 6 partner universities in South America, and so far, the program has realized the exchange of 40 students, in addition to holding language classes. We are holding an ACTIVITY REVIEW MEETING covering the last two years' activities together with South American students currently visiting to Yamagata. Once you hear the presentations, you'll find yourself very familiar with the topic of overseas study, even though it's about far-away countries. Please join us if you are interested in international exchange, Latin culture, and Spanish.

(Language: English)
