	Introduction to Elements of Japanese Society	2	BERSON MAXIME

Keywords	Japanese society, corporate culture, robotization, immigration	
Course Description (including Goal and Objectives)	Students will be introduced to elements of modern Japanese society with a focus on daily life and some of the issues that Japan will have to face in the near future. Students will be asked to do an individual or group class presentation on a topic of Japanese society of their own choosing and as such work outside class will be required. The goal of this class is to gain a broader understanding of contemporary Japan.
