

Yamagata University (Yamagata Prefecture)

The Program focuses on research Program into educational practice and teaching along with the close cooperation with the attached schools.

◇ University overview

○ Characteristics and history

Yamagata University plays a central role in education and research as the only university with many faculties in Yamagata Prefecture. The idea of the University education is to offer specialized programs with natural sciences and humanities-social sciences closely connected as well as a wide range of liberal arts programs, taking advantage of the "university," and to educate students so that they can think much of the community and play an active part from domestic or international point of view. And we aim to produce excellent research results and to make it come true "to live together with nature," and to make a large contribution to society
