

CHONNAM NATIONAL UNIVERSITY

2024 AI SUMMER SCHOOL

AUGUST 5-18, 2024

CHONNAM NATIONAL UNIVERSITY & GWANGJU

CHONNAM NATIONAL UNIVERSITY

- Founded in 1952, Chonnam National University (CNU) has remained committed to fostering global leaders and professional as one of South Korea's most innovative universities, with a reputation for excellence in research, teaching, and community engagement.
- Located in the Metropolitan City of Gwangju, CNU comprises 19 colleges and 11 graduate schools
- With 2,200 academic staff members, it provides comprehensive education to 35,000 students, including 2,000 international students from 75 different countries

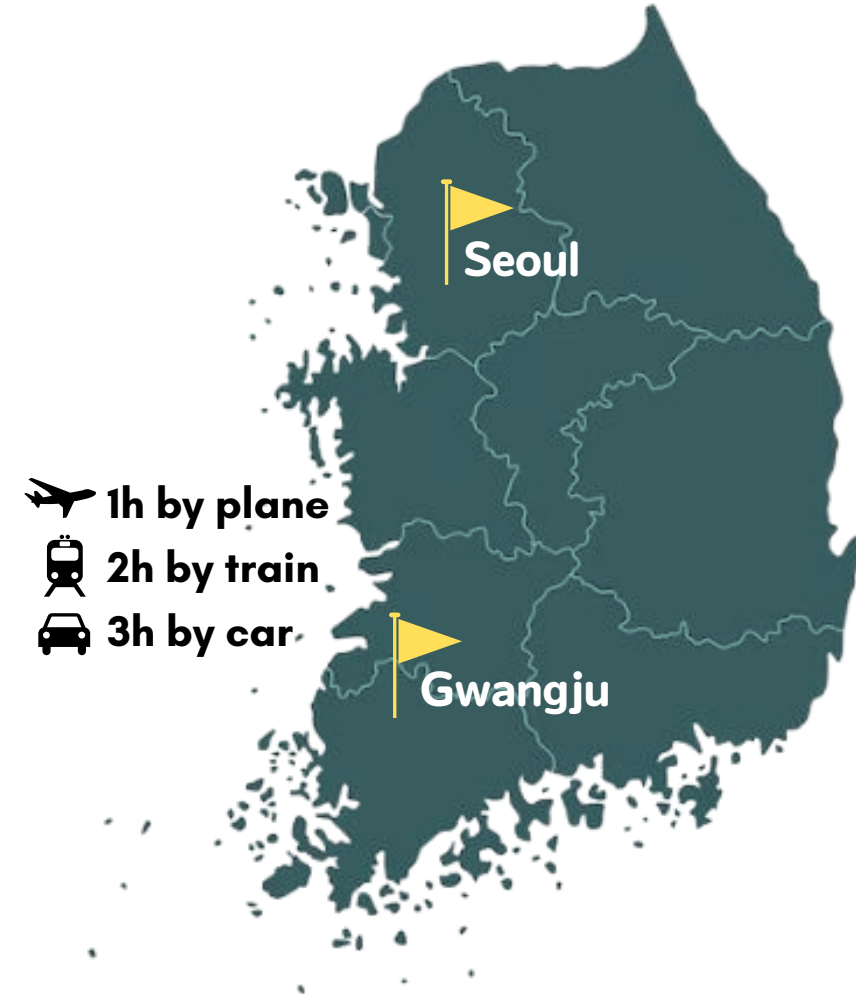

GWANGJU

With a population of around 1.5 million, Gwangju Metropolitan City is the 6th largest city in South Korea. Gwangju has played a significant role in the history of Korea's democracy and human rights movements.

In particular, the May 18 Democratic Movement, a popular uprising against the military dictatorship in the early 1980s, set an example for the world. Gwangju is a city known for its rich culture and art, with exhibitions and performances taking place to experience South Korean culture.

Gwangju is designated as an "International Safe Community" by the World Health Organization (WHO)

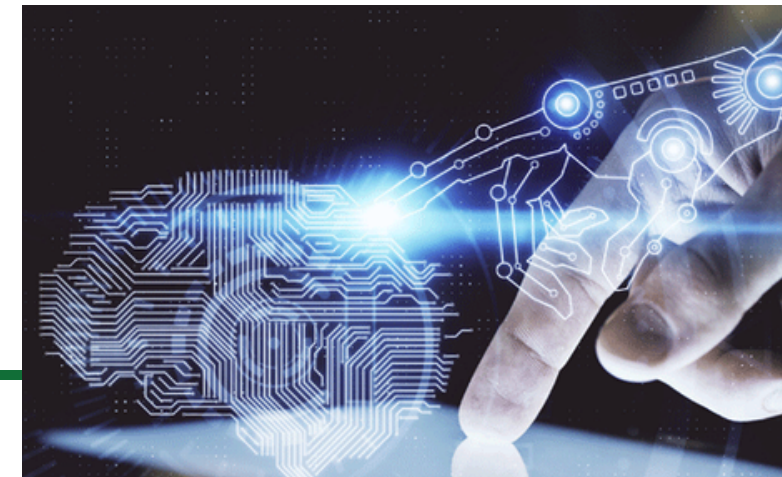

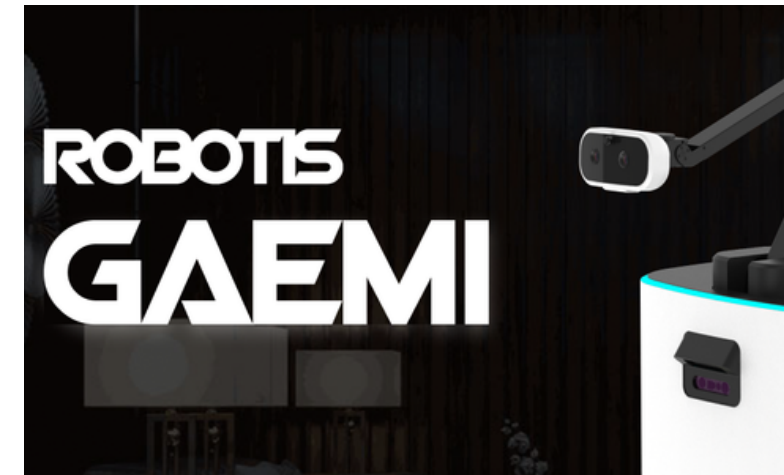

2024 CNU AI SUMMER SCHOOL

2024 CNU AI SUMMER SCHOOL

- **Gwangju** Metropolitan City is recognized as a **leading city for Artificial Intelligence** in Korea, and within this vibrant city, **Chonnam National University** is proud to be the **first institution in the nation to establish a college dedicated exclusively to AI**, boasting a solid foundation in AI research and education.
- This August, from the **5th to the 18th, 2024**, we are extending an invitation to 22 Japanese students to participate in an intensive AI program at Chonnam National University. The 2-week course is designed to offer a comprehensive exploration of AI through hands-on practical experiences and an introduction to Korean language and culture.
- The program aims to facilitate international student exchanges between Korea and Japan. It offers a unique **opportunity to immerse oneself in the specialized field of AI while gaining an understanding of Korean language and culture.**

GAEMI ROBOTICS IN CLASS: YOUR GATEWAY TO EVERYDAY AI

- **Unlock the Power of AI:** Embark on an exciting journey with GAEMI Robotics to seamlessly integrate AI into your daily life. Our course is tailor-made for beginners and enthusiasts alike!
- **No Expertise Required:** Curious about AI but not sure where to start? Our program is designed just for you! Dive into AI without the need for prior knowledge or experience.
- **Innovative Learning with Block Coding:** Say goodbye to traditional text coding and hello to block coding! This intuitive method uses visual blocks to simplify AI programming, making it more accessible and fun. A supportive mentor will be there to guide you through every challenge.
- **Engage with Hands-On Experience:** Move beyond theory with practical, hands-on learning. Our classes are focused on real-world application, providing you with valuable experience in using AI in practical scenarios.

PROGRAM FEE & SCHOLARSHIP

Thanks to scholarships provided by the Korean Government, this program is available at no cost to selected Japanese participants.

~~Total Program Fee: 560,520 JPY~~

For Selected Japanese Participants: 0 JPY

What's Included:

- AI Course (1 Credit)
- Round-Trip Airfare
- On-Campus Accommodations
- Meals
- Mentoring Program
- Korean Language Classes
- Insurance
- Korean Cultural Excursions:

Seoul Trip, KIA Motors, IT company tour, Gwangju Information and Content Agency,
Korea Electric Power Corporation, CNU Robot Research Initiative, Yeosu Trip

HOW TO APPLY

ELIGIBILITY

Undergraduate students nominated by their home university with English proficiency

NOMINATION

Nomination (by university coordinator)

- Please nominate students online by **Friday, 3rd May** using the link
- <https://forms.gle/6GSg8RL6xVRhfXsd8>

APPLICATION

Application (by nominated student)

- Please fill the application form online by **Friday, 10th May** using the the link
- <https://forms.gle/yopXDwfNkv8ApbmW7>

USEFUL INFORMATION

ON CAMPUS ACCOMMODATION

- Twin bed shared studio on campus with air conditioning
- En-suite Bathroom
- Laundry facilities, study room, lounge, fitness center
